Technical Requirements

All technical requirements will be advanced four to six (4-6) weeks before the performance date. If any of our requests cannot be accommodated, please notify us at the time of contracting so that we are prepared for and can adjust to your particular situation.

Sound System

- See input list PDF for mic requirements
- House also provides Monitor System (10 wedges)

FOH Requirements

- Professional audio engineer to monitor on-stage monitor mix
- (Band will provide audio engineer for FOH)

FOH Mix Position, Equipment, and Power

- Will be discussed 2 weeks prior to show date with tour manager and FOH engineer

Stage Requirements

- The Stage must be at least 40' wide x 20' deep. See stage plot PDF.

Risers

Risers: preferably black (Wenger Trouper, Versalite, or Vision preferred). Please provide shims for uneven stage floors (no wobbles).

- 1x 8' x 8' x 8" - drumset
- 1x 12' x 4' x 8" - guitarists
- 1x 12' x 4' x 12" - saxes
- 1x 12' x 4' x 18" - trumpets
- 1x 12' x 4' x 18" - trombones, horn

Stage Power

One (1) 15 amp, 110 volt quad-box (Edison plug), on-stage right

Lighting Requirements

- Stage lighting must be blacked-out at the beginning & end of each performance set.
- May provide gobos at the show to use during blackout
- Venue must provide a Lighting Technician/Operator.
- During the show, using 1 background wash per song is sufficient. Wash should be either a blue wash or red (at discretion of lighting operator)

Ground Transportation

- Presenter will assume responsibility for local ground transportation of artists to/from hotels and venue unless otherwise agreed w/ artist

Local Crew and Stage Setup

- Two (2) members of local crew (preferably dressed in black shirt, black pants, black shoes) will be on hand during performance: 1 to assist with large instrument setup and another (with professional engineering experience) to assist traveling engineer with sound/PA setup.
- All stage equipment including risers, instruments, and sound equipment will be set up per the provided stage-plot diagram 30 minutes prior to the sound check.

Hotel Accommodations:

- Room quantities depend on the makeup of band (use of local musicians vs. non-locals)
 - Single-occupant rooms are always preferred for traveling musicians
 - For most shows, (2) rooms will have (1) large bed suitable for couples
 - Double-occupant (2-person) rooms are usually acceptable, especially if presenter is *not* requiring use of locals and 100% of core band is traveling. Check with artist.
- All rooms should be (non-smoking) in a first-class hotel
- Duration of stay:
 - (1) night in the hotel is sufficient for performances < 5 hours drive from Boston, MA.
 - Min of (2) nights in hotel required for most other performances with the final night being the evening of the performance day
 - Performances at venues that take more than 7 hours from Boston via air may require an additional (3rd) night in hotel prior to first rehearsal day.
- Hotel ideally is located less than 5 minutes drive to performance venue unless venue providing ground transportation
- Hotels should provide complimentary breakfast or a buyout arranged w/ artist

Venue Accommodations (day of performance)

- The Orchestrotica usually has 3-4 women and 17+ men. Three dressing rooms preferred (with one room dedicated to women) complete with clean towels, full-length mirrors, and clothing racks. Rooms should be in close proximity to two private bathrooms (one male and one female) with hot water.

Artist Hospitality (for 23)

- Provided on day of concert and any rehearsal days (especially when Artist is touring with locals and full rehearsal day(s) prior to concert day are required)
- Hospitality/Lunch to be provided for artist as follows:
 - Option 1: "Mediterranean" – pita breads, grilled meats, hummus, crudité, grape leaves, spanakopita, tabbouleh, falafel, and berry selection e.g. strawberries, blueberries, raspberries, blackberries etc.
 - Option 2: "American" - Deli tray for 23 people in dressing rooms or green rooms (including ham, chicken, turkey, cheese, bread(s), pasta salads, fruits, bags of plain potato chips, lettuce, tomatoes, onions, mayo and spicy mustard), and berry selection e.g. strawberries, blueberries, raspberries, blackberries
 - Plates, napkins, and utensils
 - Drinks: Coke, Ginger Ale, Diet Coke, tea with hot water, bottled water with ice, paper cups, local beers
 - 1 box of artisanal chocolates/truffles from a local restaurant appreciated! ;-)
- Dressing rooms and hospitality should be ready and available for group in green room by 1pm local time or as otherwise advanced'
- Dinner: On the evening of the performance, a dinner buyout will be provided for artist. This can be at a nearby restaurant, or venue can provide a restaurant menu and artist will take orders for delivery to venue. Strong preference Thai, Vietnamese, pan-Asian food. Greek, Mexican, Italian/Mediterranean also ok.

Crew Hospitality (for 3 people):

- To be provided on day of concert and any rehearsal day(s) prior
- BEFORE 11:00 a.m. – donuts, bagels, cream cheese, coffee, bottled water, napkins, utensils.
- AFTER 11:00 a.m. – pizza, bottled soda, bottled water, plates, napkins, utensils Crew Hospitality should be ready and available IN SIDE OR BACKSTAGE LOCATION AS DESIRED BY THEATER MANAGER upon Mr. Jugenheimer's specified arrival to venue.
