Artistic Director

1.347.482.1775 (w) 1.617.905.9660 (m)

email: info@orchestrotica.com

Technical Requirements

All technical requirements will be advanced four to six (4-6) weeks before the performance date.

Sound System

- House provides 12 channel mixer, mics, cables, and stands as specified in stage plot
- House provides Monitor System (5 wedges)

Engineering Requirements

- Professional audio engineer to monitor on-stage monitor mix and FOH
- See stage plot for microphone needs and placement

FOH Mix Position, Equipment, and Power

- Two (2) 15 amp, 110 volt quad-boxes (Edison plug) (1 stage left, 1 stage right)
- FOH mix position at engineer's discretion

Stage Requirements

- Preferably at least 15' wide x 10' deep (contact , somewhat flexible)

Lighting Requirements

- Stage lighting must be blacked-out at the beginning & end of each performance set.
- May provide gobos at the show to use during blackout
- Venue must provide a Lighting Technician/Operator.
- During the show, using 1 background wash per song is sufficient. Wash should be either a blue wash or red (red preferred)

Ground Transportation

- Presenter will assume responsibility for local ground transportation of artists unless otherwise discussed and agreed to via phone or email

Local Crew and Stage Setup

- One (1) able-bodied member of local crew (preferably dressed in black shirt, black pants, black shoes) will be on hand at arrival, and during performance to assist with setup/teardown of percussion instruments
- All sound equipment will be set up per the provided stage-plot diagram 30 minutes prior to the sound check (to be advanced).

Hotel Accommodations:

- (5) single/queen rooms in a minimum 3-star hotel
- Hotels that provide complimentary breakfast are preferable

Venue Accommodations:

- (1) male dressing with clean towels, full-length mirrors, and clothing racks. Rooms should be near a private bathroom w/ hot water.
- Refreshments: for (5) people. Example food might include from the following: mixed greens, balsamic/olive oil dressing, grape leaves, hummus, Greek yogurt, falafel wraps. Sandwiches: ham, chicken, turkey, cheese, bread(s), pasta salads, crudité, berry mixes (strawberry, raspberry, blackberry etc), bags of plain potato chips, lettuce, tomatoes, onions, mayo and spicy mustard). Drinks: coffee, hot tea, Coke, sparkling and still bottled water appreciated. Paper cups, plates, napkins, and utensils.
- (5) Bottles of water on stage
- Dressing rooms and refreshments should be ready and available for group upon load-in.
- Merchandise table/area for show: presenter should supply
 - (1) standard-size 72"x30" folding table, ideally with a white or black dropcloth that reaches the floor. Table should be in a well-lit area, near the front-doors to the venue or immediately inside the venue.
 - (1) power outlet or strip near the table
 - (1) adult to help sell merchandise – person should be comfortable with and capable of taking credit cards on the group's iPad
 - Wi-Fi access near the table is much appreciated
