*I recommend this ensemble on behalf of the Montreal Jazz Festival. We and our massive crowds loved both of their shows, and the big band was very easy to work with despite their large size. Jazzlz loved their performance's "incredible precision and passion," and Michael Bourne personally told me he loved it as well.*

—Marc-André Sarault,  
Montreal Jazz Festival

*Brian's work to transcribe the lost arrangements of Esquivel by hand is nothing short of incredible. Their concert at our festival was fantastic, and I will keep recommending this wonderful project to my peers!*

—Claudia Norman,  
Mexico Now Festival NYC

*The Orchestrotica's quintet was fantastic. It was great to see such a good turn out, and hope they'll be back some time.*

—Art Valdez,  
Alvas Showroom Los Angeles, CA

*We heard great things from the crowd and would be happy to have Mr. Ho's Orchestrotica back!*
